

Photo Index — Annotated (Mock)

Index for P0-I02 and P0-I04 photo sets (mock)
EV Charging Site Project — Phase 0 Inputs (MOCK)

This index summarizes representative field photos collected during a screening-level walkdown. Photo sets are packaged as ZIP files. Captions indicate what the photo is intended to evidence for electrical design.

P0-I02 — MDP Nameplate Photos (ZIP)

Photo filename (in ZIP)	What it shows (electrical-only)
-------------------------	---------------------------------

IMG_20251212_101500_00.jpg	P0 MDP Nameplate 02
